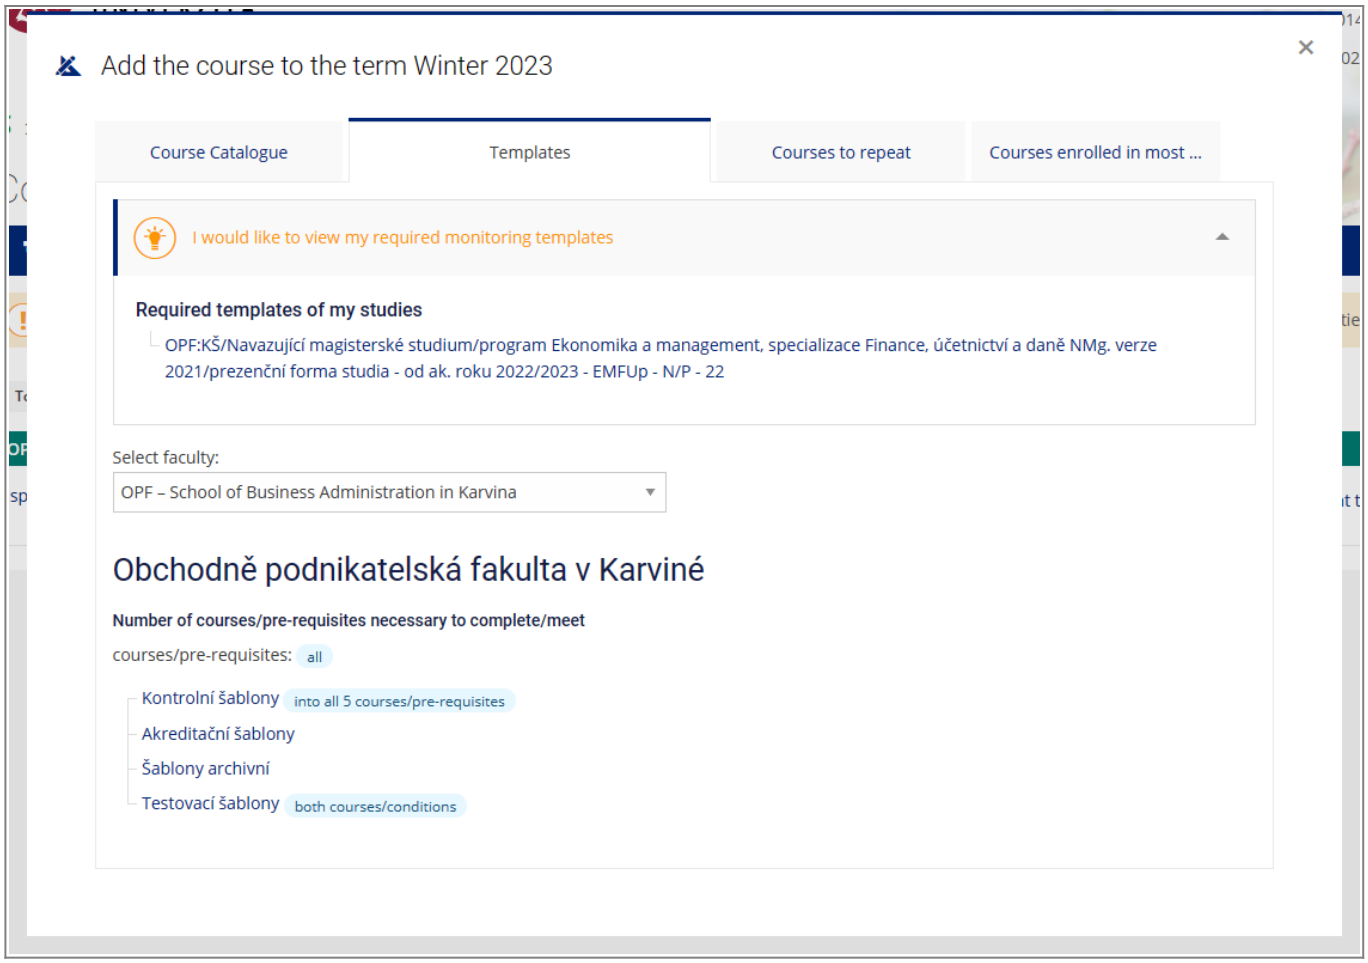
4. Switch to **Templates** panel and the colored textbox **I would like to view my required monitoring templates** Pic.4. Here you'll see the template set up for your study. Click on it.

Pic.4



5. This will open a list of obligatory and mandatory-elective courses, intended for your study programme Pic.5. Now you can pick the course by clicking on the blue symbol + , adding it to your list (symbol will change to white check mark in green background). Alternatively, it is possible to use the symbol * , that will put the course to favorite and prep them for bulk enrollment. Chosen courses have the symbol * marked yellow . A green thumbs up marks already finished courses, a red thumbs down marks the failed courses (these can also be found under **Courses to repeat**). All courses ready for enrollment will be marked by a blue paper and pen symbol .

We recommend to keep the **Display courses by semester** active for easier courses selection.
