

Courses Enrollment

1. Click on **Registration and Enrolment** under **Student** [Pic.1](#).

2. Make sure, that you have selected the right term and click on **Add courses** [Pic.2](#).

3. This will open a guide for picking up the courses for the selected term [Pic.3](#).

4. Switch to **Templates** panel and the colored textbox **I would like to view my required monitoring templates** [Pic.4](#). Here you'll see the template set up for your study. Click on it.

5. This will open a list of obligatory and mandatory-elective courses, intended for your study programme [Pic.5](#). Now you can pick the course by clicking on the blue symbol +  , adding it to

your list (symbol will change to white check mark in green background ). Alternatively, it is possible to use the symbol *  , that will put the course to favorite and prep them for bulk enrollment. Chosen courses have the symbol * marked yellow  . A green thumbs up  marks already finished courses, a red thumbs down  marks the failed courses (these can also be found under **Courses to repeat**). All courses ready for enrollment will be marked by a blue paper and pen symbol  .

 We recommend to keep the **Display courses by semester** active for easier courses selection.
